New Claygate lakes

www.newclaygatelakes.co.uk

Claygate fishery embraces three exceptional lakes set in an area of ten acres with a large car park suitable for car and coaches plus toilet facilities.

With easy access to all major roads and motorways, this outstanding fishery is located just a short drive from the village of Marden on the B2162 between Collier Street and White Hart Pub, Post code TN12 9PL

The fish stock on all three of the lakes has been increased immensely, with larger types of all coarse fish, including plump carp (in excess of 33lb) all of good quality that will satisfy the match angler and pleasure angler alike, whilst maintaining the pleasant surroundings of the garden of England.

Lake Amy

Lake Amy is where the larger carp can be caught, with the lakes record standing at 39lb 8oz common carp.

There is also an exceptionally large amount of good quality carp between the weights of 10lb and 35lb just waiting to be tempted to the hook

Tricklebrook Fishery

Tricklebrook Fishery is a 4 acre lake nestled in the beautiful Kent countryside. Established since 1996 we have continued to grow and are regularly featured in fishing magazines. We are renowned for SUGAR and ARTHUR our resident large carp, both weighing in well over 30lbs. We pride ourselves on our ability to accommodate our fisherman needs including assistance for the elderly or disabled.

Tricklebrook Fishery has a main specimen lake with carp to 36lbs and perch over 5lbs.

We also have stocked tench, roach, grass, carp and the odd surprise!

Our smaller lake is perfect for the beginner and match angler.

Open for fishing 365 days a year.

From 7am until 7pm or winter dawn till dusk.

No access after 7pm. Gates are locked.
