TUSCANY LAKE Again we have seen some cracking cats banked this month but the bigger ones seem to prefer laying up and only showing the odd appearance. JEFF'S LAKE has fished as well as it always does with day anglers never disappointed with their days fishing. All species have been banked this month with some cracking F1's and plenty of tench. The August Beaver Open Match was won by young **Harry Haggett** who banked 97lb 8oz of fish, **Dan Szupienko** was 2nd with 74lb 12oz while in 3rd place with 73lb 6oz was **Martin Charnock**. If you would like to take part in our Open Matches please give us a call.

MOAT POND has been excellent for most anglers this month with the majority of them banking some nice fish. Here are a few examples of that. Well done to **Harry Haggett** who banked 9 carp to 5lb, 2 tench and some silvers, Young **Ryan Lovejoy** aged 7 had a 2lb 4oz mirror and ghosties of 5lb 4oz, 5lb 8oz and 7lb, **Craig Harvey** had 6 carp to 6lb 8oz while pals **Ted Dugdale** and **Tom Borman** had over 60 fish of all species including carp to 8lb and tench to 3lb.

commons and a grassie at 19lb and **Jack Irvin** had a 12lb 1oz mirror and a 17lb 8oz mirror. As we do regular water tests for oxygen/nitrate and ammonia levels on our lakes we found that the oxygen level was a bit lower than we would have liked so we shut the lake for 2 weeks to aerate it and let it rest. As our regular anglers will know, Ben and I are all about fish welfare so it was an easy decision to make. As of writing this the lake is back to normal and will be business as usual.

EDEN POND This little pond has been fishing well this month with anglers having all species. Well done to **Stuart Stevens** who had 8 tench to 3lb, 2 carp to 8lb and some silvers, **Chris Champion** had 3 bream, 3 tench to 3lb 8oz, 1 golden tench and silvers and 6 carp to 12lb, young **Ryan Lovejoy** aged 7 was at it again, this time landing a 7lb common and a 8lb 8oz mirror, **Keith Seldon** had a good day landing 12 tench to 3lb, carp to 4lb, 4 crucians and plenty of silvers, **Peter Beattie** had a PB 6lb mirror carp, **Chris Scott** had 5 carp to 3lb, 16 tench to 3lb and a few bream while **Simon Weir** had 20 bream, 2 carp and 5 tench.

MAZE LAKE This one has been up and down again, with some anglers doing well and others struggling, **Joe G** did a short half day session and landed 4 carp to 7lb, **Peter Johnstone** had a good day with the bream as he landed over 25 to 4lb 1oz, **Wayne Gallard** and his pal **Gavin Pond** had a good session landing 20 carp to 8lb 3oz and a few bream to 4lb 6oz.

MAJORS LAKE The beginning part of the month Majors fished well producing carp to mid doubles. We shut this lake as we needed to do some overdue maintenance on it which included cutting back snags from under the water on the island, some tree work and lily pad thinning out. We are aware that it is not the ideal time to close Majors Lake but it would prove difficult to complete the works with anglers on it, so due to our forthcoming winter work schedule we had to bring the works on Majors Lake forward.
